

Hughsie FC Player Code of Conduct

Hughsie FC is a fellowship who have joined together in memory of Adam Hughes our friend and former captain who passed away in 2009.

Adam sadly died from Sudden Arrhythmic Death Syndrome (SADS) and is always in our hearts and we play football, the game he loved to continue his memory and raise much needed funds for SADS.

Hughsie FC players believe in personal and professional values and live and display these on the football pitch each and every time they cross the touchline.

To be a part of Hughsie FC we ask that all players sign up to the Code of Conduct below.

As a Hughsie FC player I will:

- Turn up in good time ready and able to play
- Play every game with a positive mindset
- Control my emotions and remain professional
- Obey the match officials at all times
- Not rise to provocation from the opposition
- Contribute to fundraising events and activities
